All finalists are innovations of this year. The Lucie Technical Awards aim to honor the large and small companies, as well as the individuals who have advanced the photographic industry in a given year. All-inclusive, these awards intend to encompass such things as cameras, lenses, lighting, and accessories, software and more.

With the invaluable advice and guidance of the newly established Lucie Technical Awards Advisory Board, these awards honor the people and companies who have assisted and inspired so many on their photographic journeys.

For the complete list of awards, please see [tech.lucies.org](http://tech.lucies.org) for additional information.
